

PACIFIC ASSOCIATION YOUTH COMMITTEE MEETING

January 18, 2005

Happy New Year everyone and welcome to the Pacific Association USATF's 2006 track and field season. This is just a friendly reminder of our upcoming Youth Club Meeting this Saturday, January 21st at the Emeryville Recreation Center. It is an important meeting because we did not complete our October meeting **and** we also want to introduce to you the new Club Manager program authored by our own Charlie Sheppard.

It is crucial that every team/club and unattached individual become familiar with this program because we will use it as our primary source for our championship meets, starting this year. It can be used to host any of our other track meets as well. Charlie's program will hopefully eliminate any last minute overload problems. It will help you facilitate an easy transition to Meet Manager for our championship meets. And from what I have been told, it is very much a "user friendly" program. This is also a team manager program that you will be extremely happy to have for your team's personal organizational purposes. Each team will have a four-letter team code that will be used by them and them only. If your team is not listed below please let us know as soon as possible and we will generate a four-letter code for you and add you to the group.

I am aware of the trials and tribulations we encountered this past year because of the misleading advancement rules to the Junior Olympic Nationals. I brought this issue up during one of the general sessions to only realize that the advancement rules will not be changed. They will continue to use the 8th place time as the qualifying standard for advancement. Therefore, unless you have an exceptionally gifted athlete I would not rely on those standards and treat this as we have in the past. Only the top three athletes advance to the Junior Olympic Nationals.

This year we again have the honor of hosting five championship meets; the Subbantam Championships, PAC Championships, JO Championships, Region 14 Championships and the Multi Event Championships. Again as a group, we (the Youth Committee members),

are responsible for the operations of these five meets. Please email Joanne Slaton-Camargo joanne.camargo@ousd.k12.ca.us or amjcamargo@sbcglobal.net with your individual or team's desired volunteer position(s). The volunteer positions are listed below and will be on our website shortly. Some positions are already filled but there are plenty of positions available for all interested teams. If you can think of a needed position that is not on this list, please let us know and it will be added.

Registration, Announcer, Starter, Clerk of the Course, Finish Line, Data Entry, Weights and Measures, Set Up, Membership, Finish Lynx, Community Service, Bathrooms, Clean Up, Umpire, Runners, Hurdle Crew, Long Jump, Triple Jump, High Jump, Shot Put, Discus, Javelin, Mini Javelin, Pole Vault

We plan to handle things the same as in the recent past with the major meets' finances being conducted the same as in previous years. Profits will be distributed on the basis of work performed by **any and all PAUSATF registered teams**. So we are hereby soliciting volunteers for the following track meets. The dates are as follows:

June 10-11	Sat – Sun	PAC Championships	Pinole Valley HS - Pinole
June 23-25	Fri – Sun	JO Championships	Granada HS – Livermore
July 1, 2006	Saturday	Subbantam Championships	Pinole Valley HS - Pinole
July 7-9	Fri – Sun	Region 14 Championships	Folsom HS – Folsom
July 15-16	Sat – Sun	Multi Events Championships	James Logan HS – Union City
