The *Central Coast Section Distinguished Service Award* is intended to honor those individuals who have made outstanding contributions to the Central Coast Section and the California Interscholastic Federation over a period of years. **Steve Filios** has been teaching and coaching at St. Francis High School for 30 years. In his second year of coaching he became a Co-Director of CCS Regional Track & Field Meets and helped to establish the St. Francis-Foothill Track Carnival, which later became the St. Francis Track Invitational. Soon thereafter, Steve began assisting our other 2007 Distinguished Service Award winner, Rick Milam, at the CCS Top-8 Invitational. In 1992, he became Head Basketball Coach at St. Francis, and during that same year, he took over for Ken Johnson as the CCS Track & Field Meet Director, a position he still holds today. Steve has served the CCS as a Representative on the State CIF Track & Field Advisory Committee and as Chairperson of the CCS Track & Field Sport Committee. In 1991, Steve was selected as the CCS Honor Coach for Track & Field, and in 1996, he was again selected as an Honor Coach, but this time for Boys Basketball. This last year, Steve was designated the Central Coast Section's CIF Model Coach-of-the-Year, and was recognized as such at the State CIF Basketball Championships in Sacramento.
