

2007 Pacific Association Hall of Fame Candidate Summary

This is a summary of the accomplishments of the Hall of Fame candidates for the 2007 and first Pacific Association Hall of Fame class. Their full nominations can be seen online at www.pausatf.org. Those contain more detail and include awards won, the various major meets officiating as well as athletes coached where appropriate.

The following summarizes all the areas that the various candidates have credentials.

Name	Officiating Areas			Adm	Meet Director	Coach	Athlete
	T&F	LDR	RW				
Harmon Brown	y			y	y	y	y
Dick Connors	y	y		y			
Horace Crow	y			y			
Dan Dotta	y						
Del Dotta	y						
George Kleeman	y	y	y	y	y		
Sonny Maynard	y	y	y	y			
Lori Maynard	y	y	y	y			y
Ed Miller	y				y	y	y
Tom Moore	y				y		y

Harmon Brown:

Harmon "Doc" Brown was high school and collegiate sprint hurdler. He was born in Washington D.C. and graduated from Mc Kinley High School there and was a National Honor Society member. He went on to Lafayette College in Easton, PA where he graduated Cum Laude with a B.A. in Chemistry. Since his college didn't have an indoor track team he got to run in the open division with the best hurdlers of his time. Following college he went to George Washington University School of Medicine in his home town. He then traveled to Atlanta where he was intern, resident and chief resident of Internal Medicine at Emory University Hospital. In 1961 he was drafted into the Navy and wound up as a Lt. Commander at the US Naval Radiological Defense Lab in San Francisco and thus to the association. Since 1962 Doc has been part of the staff of the University of California, School of Medicine in San Francisco where he started as an Associate and ended up as a Clinical Professor. He spent 10 years at the VA Hospital in Livermore and 17 as Director of Student Health Services at Cal State University at Hayward. He has been a club, school and intercollegiate coach since 1953, primarily in throwing events with several regional and national champions and three Olympians. He coached the Millbrae Lions from 1962 to 1974 then Cal State University at Hayward from 1974 to 1992 and since then at San Francisco State. He was named to 10 National Team Coaching positions between the Pan Am Games in Winnipeg in 1967 to the 1986 Goodwill Games in Moscow. His top assignments might have been the 1975 Tour of the People's Republic of China* one of the first good will tours to China and the 1976 US Olympic Team where he was the field events coach. He has been one of the National Team Physicians four times at the 1982 Pan Am Games in Venezuela, the 1985 World Cup in Canberra, Australia, the 1987 World championship in Rome and the 1991 World Championships in Tokyo.

Dick Connors:

Dick is a native of Michigan. Dick was a school teacher by profession. Dick began officiating in about 1964 when he started teaching and became nationally certified with the first group of Pacific officials in 1978. He has been active as a clerk, track referee, LDR referee, and became a certified IAAF National Technical Official in December, 2003. Dick was involved with youth athletics and the Millbrae Lions in his early days. He has officiated numerous Junior Olympic National Championships. He works at all levels of athletes every year and has worked to coordinate officials at Stanford for the last 15 years. Dick has been an active member of the Pacific Board of Athletics since its inception in 1980. Dick is well known throughout the United States and has been the focal point for Officials in the Pacific Association since George Newlon died. Dick is considered one of

the top clerks and a model for clerks in the United States.

Horace Crow:

Horace or Ho as his friends called him had three passions work, baseball and track. He was born in Lafayette Indiana in 1924. He graduated from the University of California, Berkeley with a degree in political science. He was a veteran of the Second World War and retired from the Army reserve at age 62 as a major. Crow worked for the Sonoma County as a personnel analyst. His boss who was the first personnel director for the county said, "He was a dedicated, capable person. He was like a walking encyclopedia, retaining facts like a computer." "Ho" would go out of his way to assist employees. He was involved with developing the county's health plan. He retired in 1981 as the assistant personnel director for Sonoma County. He was well known in the credit union movement. He was chairman of the California Credit Union League, a 20 years director of the Credit Union National association; a 26 year director of the California Credit Union League; 26 years of service, including past president of the Board of Governors, of the Sonoma-Marin Credit Union League; and was a director of the Redwood Credit Union. It is not surprising that he was credited with much of the success of local credit unions. Horace was past president and life member of the Personnel association of Sonoma County. He was president of the Sonoma Comprehensive Health Planning Association and director-at-large of the Bay Area Comprehensive Health Planning Council. He also served on the Games Committee of the Scottish Game, a member of the Commonwealth Club and Theodore Roosevelt Post 21 of the American Legion. Horace died in May 1991 having suffered a heart attack while attending a Giants-Montreal Baseball game at Candlestick Park his other passion. Ho was probably one of the most avid baseball fans in the use since he went to a ball game almost every day wither at Candlestick or the Oakland Coliseum. He had season tickets to both. No matter where Ho travelled on his off days particularly at track meets you would find Horace at the local baseball park. But track was his true love. A contemporary of his, George Newlon felt that Ho was excessive in his dedication and commitment to the track and field community. Ho was always there, in Modesto, in San Jose, In Sacramento, at Stanford, at Berkeley, at all comers meets, age group meets, fancy invitational, national championships or the Olympic Games. Ho was more than a good pole vault official. He helped improve both the local and national track and field programs. He was as quick to offer a clinic to officials as he was to chair a committee in order to help the organizational structure. He chaired the TAC National Membership committee from the inception in 1980. In 1978 Horace was chair for Track and Field under the AAU umbrella and then later served four years as our third President. Horace was always willing to go anywhere at any time and his outstanding rapport with all levels helped to get things accomplish. Ho in conjunction with George Kleeman got the Pacific Association incorporated as a nonprofit organization in the late 80's. Ho was somewhat of a history buff and always went to local attractions when he wasn't working at the meet. Horace was truly a one of a kind and a dedicated to the causes he felt close to. He was constantly on the go during the outdoor season answering requests for his services. And, he never asked for a dime in return that any of us ever heard of. The experience of this quite man was such that he headed up the pole vault officials at the 1984 Olympic Games. Horace was as well known for his administrative talents as his officiating prowess and has two national awards named after him, namely one for Field Event Officials and one for administration by the Associations Committee. Likewise the Pacific association field event award is named for him.

Dan Dotta:

Dan was born April 29, 1916 in Loyalton and died February 7, 2000 in Napa after a short illness. He and his twin brother Delos lived in Benicia for some 59 years and worked for the State of California, department of Forestry for 35 years retiring in 1981. He served in the US Army during World War II. He was a UC Berkeley graduate and coordinator of officials for many years for them. Although he only officiated one Olympics in 1984 he travelled the world attending track meets every summer with his brother. They officiated some and just attended meets. Dan was always on the finish line at Cal, Stanford and many other Bay Area meets. He officiated meets at all levels.

Del Dotta:

Del was born April 29, 1916 in Loyalton and died January 14, 1997 after a short illness. He and his twin brother Dan lived in Benicia from 1941 until his death. He served in the US Army during World War II in Europe. He was a UC Berkeley graduate and coordinator of officials for many years for them. Although he only officiated at one Olympics in 1984 he travelled the world attending track meets every summer. Del as an official was always willing to accept any assignment in the field, even at the age of 79 he was fielding short at the Stanford Invitational. He never raised his voice or had a cross word for any athlete or official and getting excited was not part of his personality. He gave respect to athletes and in return received it from them. He and his brother Dan were thru track and field vagabonds for over thirty years. As officials they traveled to all comers, high school, community college, collegiate and open track circuit year in and year out, often working more than 50 meets a year. For years the brothers were responsible for running the Call Winter all Comers series, in addition to assigning and communicating with officials for Cal's home meets.

George Kleeman:

George was a chemical engineer and engineering manager for Shell which accounts for his many travels. Consequently he

has been a member and officer in three associations and a member of numerous national committees since 1977 when he attended his first convention. He has been president of the Pacific Association twice and a member of its Board of Directors since 1985. He has been an outstanding Master level official, referee and international official. He began his officiating career in Long Distance Running in 1974 in the Gulf Association and Track and Field soon after and continued in the West Virginia Association in 1980 and then in the Pacific Association since 1985. He is currently an editor for the USATF Rulebook, Rules Vice Chair for Officials and Subcommittee chair for Equipment and Facilities Specifications and assistant Chair for the IAAF Technical Official Committee. He has been Training Chair for the Pacific Association since 1988 and was National Training Chair from 1996 to 2003. He authored many of the monographs on officiating that are available on the national website. He has been involved in all of the disciplines of the sport during his career and is currently on the Divisional Board for Long Distance Running. George has received numerous awards for his officiating and administrative endeavors from Officials, Associations, Masters LDR including the Andy Bajkin Award and the Robert Giegengack Award. He was Officials' Coordinator for several national championships and has been technical director or assistant technical director for 4 NCAA Championships, several national Cross Country Championships and two Olympic Trials including the Race Walks. He has been a member of the Local Organizing Committee for numerous LDR, Cross Country and Track and Field Championships starting in 1977. He was an International Technical Official for a number of IAAF meets including the 2003 World Championships, the 2004 Indoor World Championships, the 2005 Grand Prix Finals and several North American, Central American and Caribbean Championships.

Lori Maynard:

Her nominator first met Lori as a Race Walker in the late 70's in Texas at a national championship. She was very good. She received the National Master's T&F Committee RW award for in 1979 and 1981 as an athlete. George met her again when I moved to California in 1984 where she was an official at Stanford and sometimes at Cal in the mid 1980's. She has been active as a RW official and with the Race Walk Committee both locally and nationally for many years and was a Level II and III International Area Race Walk Judge working a number of meets throughout the North America, Central America and Caribbean region for NACAC during the 90's and until 2006. She worked numerous local Race Walk meets yearly and helped make the Pacific Association program one of the strongest in the nation. She was one of the Race Walk Judges at the 2000 Sydney Olympics. She has conducted clinics on race walk judging for over twenty years.

She has been involved with combined events competitions in the Pacific Association for many years at UC Berkeley and Davis. She worked at many San Jose City College meets and the old Bruce Jenner meets. Lori became a nationally certified official about 1986. She has been an active member of the Board of Athletics since the mid 1980's. Lori worked as a Travel agent until a few years ago. She and her husband, Sonny, have a son, Don. She was the Women's T&F representative to the Official's Selection committee from 2001 to 2005. She acted as proof reader for about 15 years for the Pacific Association's newsletter Turns and Distances.

Sonny Maynard:

Sonny began his relationship with Track & Field while competing in the Pole Vault in High School on the old bamboo pole. He jumped around 12 feet which was very good in those days for high school and Junior College. He attended meets at Berkeley in the 60's and 70's as a spectator. In the 70's he did some coaching with the "Woodside Striders". As a career Sonny taught 7th & 8th grade Science in the local public schools. Since he was an accomplished swimmer he taught swimming to kids during his summer breaks. He got re-involved in local track meets when his wife began to compete as a Master race walker in 70's.

Sonny has worked mostly local meets. He has had opportunities to work others but true to his nature, he supported others rather than doing them himself. He worked as a race official and volunteer. He first became nationally certified in 1987 although he had already been officiating for a number years at what is now the association level. Sonny can and does work all the field events but most often the throws. He fills in where needed and is always present when there is a nearby combined events competition. His low key and friendly spirit has endeared him to all the officials. Sonny has been the long time field officials' coordinator for Stanford meets since the early 80's where he was mentored by the then Stanford head coach, Brooks Johnson. Sonny was also the Officials Coordinator for the National JOs in 1995 in San Jose.

Sonny has worked mostly local meets. He has had opportunities to work others but true to his nature, he supported others rather than doing them himself. He worked as a race official and volunteer. He first became nationally certified in 1987 although he had already been officiating for a number years at what is now the association level. Sonny can and does work all the field events but most often the throws. He fills in where needed and is always

present when there is a nearby combined events competition. His low key and friendly spirit has endeared him to all the officials. Sonny has been the long time field officials' coordinator for Stanford meets since the early 80's where he was mentored by the then Stanford head coach, Brooks Johnson. Sonny was also the Officials Coordinator for the National JOs in 1995 in San Jose.

Sonny's commitment to track and field is not limited to Stanford. He also officiates at meets throughout the bay area and up to Sacramento, and at all levels of competition.

After years as a certified official, Sonny volunteered his time at the 1984 Olympics. As the 1996 Olympics in Atlanta approached, Sonny withheld applying for an officiating assignment so that Lori would be assured selection as an official. (He later learned that he would have been selected along with her as an official).

Sonny has given countless hours to the Stanford Track and Field program as the field officials' coordinator. Sonny's work ethic has been a vital part of the Stanford Track and Field home meets success. His ongoing contributions for the past 25 years have been solely from the goodness of his heart, expecting nothing in return. He embodies the meaning of a true volunteer.

Sonny is an inspiration to us all. He has been a mainstay of the Stanford Track and Field meets and the Stanford Cross Country meets. There is never a cross word on the field when he has been in charge, but as he would say, "don't go there."

Sonny is a remarkable man and we have all been blessed by his dedication and commitment to our sport.

Ed Miller:

Ed has been an assistant coach at the University of California for 24 years. He has a national and international reputation for field events and combined events. He has served on 4 international teams including the 2003 IAAF World Championships in Paris. He is a former NCAA decathlon champion in 1976 and All American for Cal. Throughout most of those years Ed has served as meet director and part time Officials Coordinator. He is a member of the USATF Development Committee and National coordinator for long jump and regional coordinator for high jump. He is a member of both the Diablo Valley College and University of California Halls of Fame. Ed has coached a number of NCAA combined events champions and was Chris Huffins' coach during his years at Cal in the early 90's and for the 1996 and 2000 Olympic Games. Ed is a native of Pleasant Hill but also spent some of his early teen age years in Hawaii.

Election to the Hall of Fame will be made by the current members of the Pacific Association Board of Athletics during August.

For more details on the Pacific Hall of Fame and the procedures governing nomination of candidates for the same please go to www.usatf.org under the Hall of Fame. Nominations for the second class for 2008 will be solicited early in 2008.

_It is not too much to say that George is the heart and soul of the Pacific Association USATF—especially of the Officials Committee. With a few other individuals, George created or inspired our training program most of our training materials and most of our institutions and practices.

He is the one virtually every member of the PAOC, indeed of the PA leadership, comes to first for institutional policies, for rules clarification and general advice.

National Committees:

Associations: 1989-1992 Treasurer 1990-1992
Officials: Attended all meetings since inception, Member 1980-1984 and 1990 to Current,
Officials Training Chair, 1997-2003,
Equipment and Specification Sub Committee Chair 1990-Current
Official Rules Chair, 2004-Current
Master LDR, 1978-2003 Rules Representative 1986-2003
Women's LDR, Regional Vice President 1978-1984
Men's LDR, 1978-1984 as Gulf and West Virginia Representatives
LDR Division Executive Committee 2000-current
Race Walking 1981-1984 as West Virginia Representative
Rules Committee Associate Editor 1990 to Current
IAAF Technical Officials Taskforce, 1997-Current, Chair 2000-2004
USATF Budget Committee, 1997-1998
Registration Committee, 1982-1983

Association Committees:

Gulf LDR Chair 1975-1980
West Virginia LDR Chair 1981-1984
West Virginia Race Walking Chair 1981-1984
West Virginia Track and Field Chair 1983-1984
West Virginia Registration Chair 1981-1984
Race Director for Gulf Association Races 1975-1980 including Houston Marathon,
West Virginia Officials Committee 1981-1984
Pacific Association Officials Committee 1985-2004, Regional Representative 1987-1989, Training Chair 1987-Current, Certification Committee 1988,
Executive Committee 1987-current.

Association Officer:

Vice President, Gulf Association 1979-1980
Vice President, West Virginia Association 1980-1983
President, West Virginia Association 1984
Treasurer, Pacific Association 1985-1990 1992-1997
President, Pacific Association 1989-1992 and 1997-2000

National Awards:

Scott Hamilton Award for LDR Contributions in 1979
First recipient of Horace Crow Award for Association Committee 1992
Andy Bakjian Officials Award 1994
Geigengack Award, 1998

Pacific Associations Meritorious Service Award, the Dick Barbour Award in 1987. Plus a Sepecial Recognition Award in 1992 for his efforts as a Finish line official.

OTHER ACCOMPLISHMENTS AND/OR SUPPORTING EVIDENCE

Please elaborate on the specific contributions that this nominee has made to the sport and to officiating throughout his/her career.

(Please attach no more than one additional page)

Dan was born April 29, 1916 in Loyalton and died February 7, 2000 in Napa after a short illness. He and his twin brother Delos lived in Benicia for some 59 years and worked for the State of California, department of Forestry for 35 years retiring in 1981. He served in the US Army during World War II. He was a UC Berkeley graduate and coordinator of officials for many years for them. Although he only officiated one Olympics in 1984 he travelled the world attending track meets every summer with his brother. They officiated some and just attended meets. Dan was always on the finish line at Cal, Stanford and many other Bay Area meets. He officiated meets at all levels.

ASSOCIATE DIRECTOR OF TRACK & FIELD

ED MILLER

*Field Events-Multi Events
24th Year at Cal*

Ed Miller begins his 24th year as the Associate Head Coach at California. Throughout his storied career, Miller has earned both a national and international reputation for his success on the field. He is considered one

of the premier multi-event coaches in the world and has served United States Track & Field on four international trips, including the 2003 IAAF World Championships in Paris, France, as an assistant coach. As a member of USATF's Development Committees, Miller served as the National Coordinator for the long jump and also was the Regional Coordinator for the high jump.

A former NCAA decathlon champion and All-American for the Golden Bears, Miller assists in the administration of the program, in fund raising and in meet management.

Miller's latest honor was his recent induction into the Diablo Valley College athletic hall of fame as a member of its first class. In 2002 Ed received one of his greatest honors when he was inducted into Cal's Hall of Fame.

Miller has coached a number of outstanding athletes at Cal, including Bears head

coach and 1996 and 2000 Olympian Chris Huffins (a U.S. bronze medalist in the decathlon at Sydney 2000) and 1996 Olympian and South American record-holder Ramon Jimenez-Gaona (Paraguay, discus). In addition to Huffins, the 1993 NCAA and Pac-10 decathlon champion, Miller coached Cal decathletes Bevan Hart (2000 NCAA champion and 1999-2000 Pac-10 champion), Ross Bomben (1996 NCAA runner-up and 1998 Pac-10 champion). On the women's side, Miller coached a number of outstanding multi-eventers, including 1995 All-American Tiffany Janssen, 1995 Pac-10 champion Ifeoma Ozoeze, 2000 Pac-10 champion, All-American Missy Vanek and heptathlete Brooke Meredith (indoor and outdoor All-American and MPSF indoor champion.)

In addition to Jimenez-Gaona, a three time NCAA runner-up and school-record holder in the discus at 210-11, Miller has tutored Kari Nisula, the 1988 NCAA discus champion, the only three-time Pac-10 pole vault champion and 1992 NCAA runner-up; All-American Brent Burns (holds Cal pole vault record of 18-8.25);

All-American Clarence Phelps (2nd in the pole vault at the 1997 NCAA championships at 18-0.50); All-American Jeff Rogers (holds Cal high jump record of 7-5.75); Pac-10 high jump and triple jump champion Mike Harris (All-American in 1990); two-time Pac-10 high jump champion Kevin Keane; and high jumper Teak Wilburn (indoor and outdoor All-American and Indoor conference and outdoor Pac-10 Champion). Miller's athletes have earned 23 All-America honors.

A native of nearby Pleasant Hill, Calif., Miller was a two-year letterman at California in 1975 and '76. As a senior, he captured the 1976 NCAA decathlon title in Philadelphia, Pa., scoring a then school-record 7,443 points. That score broke a 42-year-old record of Olympian Bob Clark and presently ranks sixth on the all-time list at Cal. Miller continued competing past college, including at the 1976 and '80 U.S. Olympic Trials.

Prior to returning to Cal as a coach, Miller taught, coached track and field and coached women's basketball at Los Medanos College in Pittsburg, Calif.

He and his wife, Sheila, make their home in Antioch, Calif., with their son, Eddie. Daughter Jennifer graduated from the Haas School of Business in 2004.

OTHER ACCOMPLISHMENTS AND/OR SUPPORTING EVIDENCE

Please elaborate on the specific contributions that this nominee has made to the sport throughout his/her career. (Please attach no more than one additional page.)

Harmon "Doc" Brown was high school and collegiate sprint hurdler. He was born in Washington D.C. and graduated from Mc Kinley High School there and was a National Honor Society member. He went on to Lafayette College in Easton, PA where he graduated Cum Laude with a B.A. in Chemistry. Since his college didn't have an indoor track team he got to run in the open division with the best hurdlers of his time. Following college he went to George Washington University School of Medicine in his home town. He then traveled to Atlanta where he was intern, resident and chief resident of Internal Medicine at Emory University Hospital. In 1961 he was drafted into the Navy and wound up as a Lt. Commander at the US Naval Radiological Defense Lab in San Francisco and thus to the association. Since 1962 Doc has been part of the staff of the University of California, School of Medicine in San Francisco where he started as an Associate and ended up as a Clinical Professor. He spent 10 years at the VA Hospital in Livermore and 17 as Director of Student Health Services at Cal State University at Hayward. He has been a club, school and intercollegiate coach since 1953, primarily in throwing events with several regional and national champions and three Olympians. He coached the Millbrae Lions from 1962 to 1974 then Cal State University at Hayward from 1974 to 1992 and since then at San Francisco State. He was named to 10 National Team Coaching positions between the Pan Am Games in Winnipeg in 1967 to the 1986 Goodwill Games in Moscow. His top assignments might have been the 1975 Tour of the People's Republic of China* one of the first good will tours to China and the 1976 US Olympic Team where he was the field events coach. He has been one of the National Team Physicians four times at the 1982 Pan Am Games in Venezuela, the 1985 World Cup in Canberra, Australia, the 1987 World championship in Rome and the 1991 World championships in Tokyo.

Within the Pacific Association Harmon has been active since 1965 as a leader in many areas. During the AAU days he was Association Track & Field Chair and National Girls Age Group Chair (1963-1967). He was the first Athletics Congress President 1981-82 when it split away from the AAU.

Internationally Doc has been involved more on the medical side with the IAAF as a member of its Medical Committee since 1985. As such he has been involved with medical care and drug testing at many regional and international championships. He was the head of the Medical team for the 1995 World Championships in Edmonton, Canada. His work stems from a lifetime of interest in the effect of training on young women and strength training of women throwers. He was in the first class to become board certified in Sports Medicine in 1993. He had started almost 30 years before when the US first incorporated science into training for athletes. He has been a leader in that field.

He became involved in the educational activities of the IAAF particularly the medical area giving workshops around the world in the mid 90's including Qatar, in 92, Monaco in 94, Nairobi, Guttenberg and Puerto Rico in 95, Atlanta, Iceland, Cairo and Argentina in 96 to name just a few.

Doc, when he isn't involved with coaching or medical duties, also has been an active official for many years being certified in the late 70's.

(Please attach no more than one additional page)

Dick is a native of Michigan. Dick began officiating in about 1964 when he started teaching and became nationally certified with the first group of Pacific officials in 1978. He has been active as a clerk, track referee, LDR referee, and became a certified IAAF National Technical Official in December, 2003. Dick was involved with youth athletics and the Millbrae Lions in his early days. He has officiated numerous Junior Olympic National Championships. He works at all levels of athletes every year and has worked to coordinate officials at Stanford for the last 15 years. Dick has been an active member of the Pacific Board of Athletics since its inception in 1980. Dick is well known throughout the United States and has been the focal point for Officials in the Pacific Association since George Newlon died. Dick is considered one of the top clerks and a model for clerks in the United States.

USATF Association Committee named Annual Contributors Award the Horace Crow Award in 1992

USATF Officials Committee named Annual Field Officials Award, the Horace Crow Award in 1992

Pacific Association named their Annual Field Event Officials Award, the Horace Crow Award in 1995

Horace or Ho as his friends called him had three passions work, baseball and track. He was born in Lafayette Indiana in 1924. He graduated from the University of California, Berkeley with a degree in political science. He was a veteran of the Second World War and retired from the Army reserve at age 62 as a major. Crow worked for the Sonoma County as a personnel analyst. His boss who was the first personnel director for the county said, "He was a dedicated, capable person. He was like a walking encyclopedia, retaining facts like a computer." "Ho" would go out of his way to assist employees. He was involved with developing the county's health plan. He retired in 1981 as the assistant personnel director for Sonoma County. He was well known in the credit union movement. He was chairman of the California Credit Union League, a 20 years director of the Credit Union National association; a 26 year director of the California Credit Union League; 26 years of service, including past president of the Board of Governors, of the Sonoma-Marin Credit Union League; and was a director of the Redwood Credit Union. It is not surprising that he was credited with much of the success of local credit unions.

Horace was past president and life member of the Personnel association of Sonoma County. He was president of the Sonoma Comprehensive Health Panning Association and director-at-large of the Bay Area Comprehensive Health Planning Council. He also served on the Games Committee of the Scottish Game, a member of the Commonwealth Club and Theodore Roosevelt Post 21 of the American Legion. Horace died in May 1991 having suffered a heart attack while attending a Giants-Montreal Baseball game at Candlestick Park his other passion. Ho was probably one of the most avid baseball fans in the use since he went to a ball game almost every day wither at Candlestick or the Oakland Coliseum. He had season tickets to both. No matter where Ho travelled on his off days particularly at track meets you would find Horace at the local baseball park. But track was his true love. A contemporary of his, George Newlon felt that Ho was excessive in his dedication and commitment to the track and field community. Ho was always there, in Modesto, in San Jose, In Sacramento, at Stanford, at Berkeley, at all comers meets, age group meets, fancy invitational, national championships or the Olympic Games. Ho was more than a good pole vault official. He helped improve both the local and national track and field programs. He was as quick to offer a clinic to officials as he was to chair a committee in order to help the organizational structure. He chaired the TAC National Membership committee from the inception in 1980. In 1978 Horace was chair for Track and Field under the AAU umbrella and then later served four years as our third President. Horace was always willing to go anywhere at anytime and his outstanding rapport with all levels helped to get things accomplish. Ho in conjunction with George Kleeman got the Pacific Association incorporated as a nonprofit organization in the late 80's. Ho was somewhat of a history buff and always went to local attractions when he wasn't working at the meet. Horace was truly a one of a kind and a dedicated to the causes he felt close to. He was constantly on the go during the outdoor season answering requests for his services. And, he never asked for a dime in return that any of us ever heard of. The experience of this quite man was such that he headed up the pole vault officials at the 1984 Olympic Games.

Proof Reader of Pacific Association's Officials Newsletter, Turns and Distances for about 15 years.

One of the original Editors for the Race Walk Handbook

AWARDS RECEIVED (Association, National, Other)

National Masters T&F Committee award for Outstanding RW Athlete in 1979 & 1981.

National Race Walk Committee's Contributor Award in 1994

Pacific Association's Dick Barbour Award for 2003 plus Specials Recognition Award in 1994

USATF President's Award in 1995

Officials Chair Award in 2001

OTHER ACCOMPLISHMENTS AND/OR SUPPORTING EVIDENCE

Member of PA Certification Committee for the last 10 plus years for the peninsula area.

Please elaborate on the specific contributions that this nominee has made to the sport and to officiating throughout his/her career.

(Please attach no more than one additional page)

I first met Lori as a Race Walker in the late 70's in Texas at a national championship. She was very good. She received the National Master's T&F Committee RW award for in 1979 and 1981 as an athlete. George met her again when I moved to California in 1984 where she was an official at Stanford and sometimes at Cal in the mid 1980's. She has been active as a RW official and with the Race Walk Committee both locally and nationally for many years and was a Level II and III International Area Race Walk Judge working a number of meets throughout the North America, Central America and Caribbean region for NACAC during the 90's and until 2006. She worked numerous local Race Walk meets yearly and helped make the Pacific Association program one of the strongest in the nation. She was one of the Race Walk Judges at the 2000 Sydney Olympics. She has conducted clinics on race walk judging for over 20 years.

She has been involved with combined events competitions in the Pacific Association for many years at UC Berkeley and Davis. She worked at many San Jose City College meets and the old Bruce Jenner meets. Lori became a nationally certified official about 1986. She has been an active member of the Board of Athletics since the mid 1980's. Lori worked as a Travel agent until a few years ago. She and her husband, Sonny, have a son, Don. She was the Women's T&F representative to the Official's Selection committee from 2001 to 2005. She acted as proof reader for about 15 years for the Pacific Association's newsletter Turns and Distances.

Recognized by Stanford for 25 years of service as Head Field Judge and Field Officials Coordinator in 2007.

OTHER ACCOMPLISHMENTS AND/OR SUPPORTING EVIDENCE

Please elaborate on the specific contributions that this nominee has made to the sport and to officiating throughout his/her career.
(Please attach no more than one additional page)

Sonny began his relationship with Track & Field while competing in the Pole Vault in High School on the old bamboo pole. He jumped around 12 feet which was very good in those days for high school and Junior College. He attended meets at Berkeley in the 60's and 70's as a spectator. In the 70's he did some coaching with the "Woodside Striders". As a career Sonny taught 7th & 8th grade Science in the local public schools. Since he was an accomplished swimmer he taught swimming to kids during his summer breaks. He got re-involved in local track meets when his wife began to compete as a Master race walker in 70's.

Sonny has worked mostly local meets. He has had opportunities to work others but true to his nature, he supported others rather than doing them himself. He worked as a race official and volunteer. He first became nationally certified in 1987 although he had already been officiating for a number years at what is now the association level. Sonny can and does work all the field events but most often the throws. He fills in where needed and is always present when there is a nearby combined events competition. His low key and friendly spirit has endeared him to all the officials. Sonny has been the long time field officials' coordinator for Stanford meets since the early 80's where he was mentored by the then Stanford head coach, Brooks Johnson. Sonny was also the Officials Coordinator for the National JOs in 1995 in San Jose.

Sonny has been the long time field officials' coordinator for Stanford meets since the early 80's where he was mentored by the then Stanford head coach, Brooks Johnson. Sonny was also the Officials Coordinator for the National JOs in 1995 in San Jose.

Sonny's commitment to track and field is not limited to Stanford. He also officiates at meets throughout the bay area and up to Sacramento, and at all levels of competition.

After years as a certified official, Sonny volunteered his time at the 1984 Olympics.

As the 1996 Olympics in Atlanta approached, Sonny withheld applying for an officiating assignment so that Lori would be assured selection as an official. (He later learned that he would have been selected along with her as an official).

Sonny has given countless hours to the Stanford Track and Field program as the field officials' coordinator. Sonny's work ethic has been a vital part of the Stanford Track and Field home meets success. His ongoing contributions for the past 25 years have been solely from the goodness of his heart, expecting nothing in return. He embodies the meaning of a true volunteer.

Sonny is an inspiration to us all. He has been a mainstay of the Stanford Track and Field meets and the Stanford Cross Country meets. There is never a cross word on the field when he has been in charge, but as he would say, "don't go there."

Sonny is a remarkable man and we have all been blessed by his dedication and commitment to our sport.

OFFICIAL NOMINATION FOR THE PACIFIC ASSOCIATION HALL OF FAME

Please print or type all information. Only fully completed forms received by the nomination deadline will be accepted. Do not include more than one additional page. When complete, mail to:

AWARDS RECEIVED (Association, National, Other)

USATF Hall of Fame as meet director and athlete

Pacific Association Lifetime Achievement Award- Tom Moore Award, Tom was first recipient in 2002 just before his death. Pacific Associations Meritorious Service Award, Dick Barbour Award in1994.

OTHER ACCOMPLISHMENTS AND/OR SUPPORTING EVIDENCE

Tom was founder and meet director for the Modesto Relays from 1940 until his death in May, 2002 on the eve of the 61st version of the relays. As an official Tom was a starter at many northern California meets and particularly at his alma mater the University of California at Berkeley for over 50 years. Tom was a 120 high hurdler who set the World Record in 1935 at 14.2 seconds. He was an Olympic Team member with Jesse Owens in Berlin in 1936. Tom started to officiate sometime in the late thirties and continued to his death in 2002 at age 88. He first became certified on September 20, 1977. He was still an active starter at UC Berkeley although he had cut back on his officiating schedule.

Please elaborate on the specific contributions that this nominee has made to the sport and to officiating throughout his/her career.
