To All Youth Team Coaches and/or Administrators:

Every team has to become familiar with the new Club Manager program that was introduced to everyone last month in January. We are having another training session on Sunday, February 19th in San Jose at the home of Charlie Sheppard at 2:00 p.m. If you are interested in attending this training please let me know as soon as possible. If we have not heard from enough interested individuals by Wednesday February 15th we will cancel the training.

You can reach me at:

joanne.camargo@ousd.k12.ca.us or [510 879-8642 \(9-5\)](tel:510879-8642).

This is my work email and work telephone number. I can be reached much easier during the day using these two sources. Thank you everyone, for your prompt attention to this matter.
