TO: All Pacific Association Youth Club Administrators

FROM: Joanne Slaton-Camargo, Youth Chair

SUBJECT: Club Manager Program

It is crucial that every team/club and unattached individual become familiar with Charlie Sheppard's newly created Club Manager program because we will use it as our primary source for our championship meets, starting this year. It can be used to host any of our other track meets as well.   Charlie's program will hopefully eliminate any last minute overload problems. It will also help you facilitate an easy transition from Club Manager to Meet Manager for our championship meets. And from what I have been told last year and earlier this year, it is very much a "user friendly" program. This is also a team manager program that you will be extremely happy to have for your team's personal organizational purposes.   Each team or unattached individual will have a four-letter team code (UNA for unattached) that will be used by them and them only.   If your team is not listed, please let us know as soon as possible and we will generate a four-letter code for you and add you to the group. Please contact me if you need a copy of Club Manager emailed to you. amjcamargo@sbcglobal.net and/or joanne.camargo@ousd.k12.ca.us.

PAUSATF 4-Letter Youth Team Codes

(Codes should be in ALL CAPS)
(Unattached Athletes should use the team code **UNA**)

Team Name	4-Letter Code
3M Track Club	3MTC
AC Track Club	ACTC
Acorn Oscar Bailey Track Club	ACOB
AEIOU Track Club	AEIO
Alex Van Dyke Track Club	AVDT
