

DIRECTIONS TO SAN FRANCISCO CITY COLLEGE

From 101 take 280 the John Daly Freeway toward Daly City and get off at the Ocean/Geneva exit and go right on Ocean and turn right at Howth which is just a block or so off the freeway going west. We will be in the Health and Wellness building which is in the SE corner of the campus before you reach Phelan. It is where the old discus and hammer ring use to be and just south of the stadium. See map where green 1 is. We will be on the first floor.
