GENERAL INFORMATION

Organizational/Club Membership Duration

Similar to individual memberships, organizational memberships are on a calendar year basis. This means they expire on December 31st each year. Member organizations joining in November or December will be afforded membership for the remainder of that year as well as all of the following year (example: the organization submits an application to the Association on November 14, 2002; the organization will be considered a valid member for the remainder of 2002 and all of 2003).

USATF Governance Manual / Competition Rules

A current copy of the USATF Governance Manual and USATF Rules of Competition are available at www.usatf.org

Coaches Education Program

Each year USATF offers a variety of educational opportunities. To learn more about this program or to find a Coaches Education school near you visit www.usatf.org

Event Calendar

Looking for an event? Whether it is a youth, open, masters, long distance running, track & field or race walking event be sure to check out USATF's website for the most comprehensive Athletics calendar around.
