

Minutes of the USA Track & Field Pacific Association
Officials Committee Annual Meeting
Sunday, August 22, 2010
Bruce Edwards Club Room, UC Davis Football Stadium, Davis, CA

Informal Meeting

The informal part of the meeting was opened by Chairman John Murray at 11:05 am. The Chair introduced the new UC Davis head track and field coach, Byron Talley. Long-time UCD head coaches Jon and Deanna Vochatzer have retired. Coach Talley welcomed the PA Officials to the UC Davis campus and would appreciate officials' participation in UCD track and field events.

The Chair notified the attendees that Jon Siegel has copies of the proposed changes to the Operations Procedures of the PA USATF Officials Committee. The attendees were also reminded of the availability of the recruiting brochure, supported by a grant of \$500 from the national organization.

Informal Rules Discussion

To spark discussion, the Chair raised some actual situations that were challenging from a rules standpoint:

- Discus hits an official
- During hammer throw, the insert is not in the ring
- Discuss ring full of water, when should it be emptied
- Hat worn in long jump that landed in back of jumper
- Pole vault measurement devices

Discussion of Upcoming Meets

2011 World Masters meet, Sacramento. www.world-masters-athletics.org

George Kleeman reviewed the upcoming meet that will have three venues:

- CSU Sacramento
- Sacramento City College
- American River College

The 2009 National Masters meet was very successful, though there are areas for improvement. Early entrants for 2009 totaled 300, then 1,200 by the time of the meet.

Kleeman asked for volunteers for the 2011 World Masters in Sacramento. A lot of officials and coordinators are needed. The meet runs from that runs from July 6 – 17, with 10 of the 12 days for competition. There are 26 age categories, ~1600 events during the meet, including ~400 throwing events. There will be 2 sessions, so there is a need for 250 officials or 500 people.

Championship meets at CSU Stanislaus. Per request of Dick Connors, Bill Hawks spoke about two championship meets to enlist officials to consider working these meets.

PAUSATF President's comments. Irene Herman reviewed some events over the last year.

- A primary point was the need to recruit more officials. There are 309 certified officials in PAUSATF, but where are they? Please use the new brochures to recruit officials.
- There are applications for the PAUSATF to sanction events. Peter Tapia will be working on this, and a Sanction Committee has been formed.
- Spoke about safety at meets for officials and athletes.
- PAUSTF had 6,213 members by the end of August 2009. There are 6,767 members in August 2010.
- Grant request for \$1,200 – \$1,500 for disabled athletes competition.
- Wellness center opening at Sac State.

- Specifically thanked Shirley Connors for her leadership in training and Jim Hume for certification. Recognized the "Turns and Distances" publication.
- Encouraged PA officials to work meets in other geographic locations, and other USATF associations.

- Due to the size of the PA Officials group, our association will send four delegates to the USATF Officials Committee in Virginia Beach during December.
- Asked for information for the calendar posted on the Pacific Association website: www.pausatf.org
- The website is good for recruitment; we should make it easier to use and especially better for recruitment of officials
- Need more clinic leaders, and more variety in clinic offerings

Chair recognized the passing of Scott Davis and longtime official Bill Connelly. Bill Pratt and Bob Peterson are new emeritus officials.

Jon Siegel presented the proposed amendment to the Operating Procedures (moved by Dennis Boyle, seconded by Phil Leake). J.R. Heberle asked about inclusion of a requirement for destruction of electronic ballots, which resulted in a revision to the amendment. The revised version was passed by voice vote.
