 - Whomever picks up the packet must sign for packet

Athlete Check-In

- **Check-in** – Athletes now have the opportunity to check into all of their events all day long. **We no longer will have a first, second and final call for all events** during the track meet. The event check-in sheets will be pulled 30 minutes before the event is scheduled to take place. After the event is closed no changes will be made for any running events. PERIOD! Field event athletes check in at their particular field event and this can be done all day long, same as running events.
 - All four members of a relay team must check in together at the Clerk of the Course and all four members tops must match
 - If an athlete is competing in a field event and their running event is coming up, the athlete must check out of the field event with the head field event official and then check in at the running event. Time permitting, they should be allowed to return to their field event. If time is not permitting, as soon as they complete the running event they need to check back into the field event. If a coach or parent needs to assist the athlete in this process, we will allow them to do so. In such cases as high jump or pole vault the bar will continue to go up and the athlete must re-enter the event at whatever height the bar is set
 - Athletes are not allowed to use cell phones, head sets or any other type of

electronic devices while in the Clerking area, field of competition or on the infield

- **NOTE:** if you have properly added an event late and your name does not appear on the check in sheet, athlete must take bib number to Maria Castillo at the finish line to have the event signed off.
- **Implements** – Field event implements except javelins and pole vault poles will be supplied by meet management. Personal implements must be passed by our Weights & Measures official. All implements must be checked between 7:30 am – 12:00 pm
- **Spike Length** – Maximum 3/16" pyramid or needle spikes on all synthetic rubber surfaces. Athletes who do not have the proper spikes will be asked to obtain the correct spikes or they will not be allowed to compete (racing flats can always be substituted for racing spikes)
- **Bib Numbers & Hip Numbers** – Bib numbers will be distributed at packet pick-up. All athletes must have a bib number assigned to them in order to compete
 - Bib numbers must be worn on the front of the jersey. An exception is made for high jumpers and pole vaulters who have the option to wear their bib number on their back if they prefer
 - Lost or forgotten bib numbers will result in a \$5.00 replacement fee (each time it is replaced)
 - For all running and race walking events, athletes will be assigned a hip number when they check in with the Clerk of the Course for final seeding
 - Hip numbers must be worn on the left hip (hip facing infield while competing – not the butt or the front of the shorts). Shirts must be tucked in so hip numbers are visible by camera at finish line
 - In some of the longer distance races hip numbers may also be placed on the front of the shirt to assist with lap counting
- **Starting Heights** - The starting height for the high jump and the pole vault will be per USATF rule 242.5(k). Incremental increases will be 2" in the high jump and 6" in the pole vault until there is a winner. The winner may then determine the next height

Protest Table

All protests must be submitted in writing within thirty (30) minutes after the results of an event are posted per rule 73. This time period will be strictly enforced. There will be a \$50.00 cash submission fee required to file a protest. This fee will be refunded only if the protest is upheld. Only violations of the USATF 2012 Rules of Competition may be protested. Judgment calls made by meet officials cannot be protested. Protests that do not meet the above criteria will not be accepted.
