

The USATF-Pacific Coaches Committee Executive Board (2013-15)

Coaches Committee Chair: Dave Shrock

coachshrock@gmail.com, 209.575-3034

Dr. Shrock is currently in his tenth year as Coach Committee Chair and first year as the Pacific Association President after serving eight years on the Association Executive Board. "A coaching career which has spanned theory-eight years from youth to the collegiate division I level, along with service to our sports from association to the national level of USATF enables me I believe to serve our diverse and important community of coaches in the Pacific Association."

Do not hesitate to contact myself of any of your sub-committee chairs listed below if you have any questions or concerns regarding our coaching profession and how it relates to the Pacific Association and/or USA Track & Field.

New Open-Collegiate Sub-Committee Chair: Shantel Twiggs

stwiggs@unr.edu, 775.250-8961

My experience both as a collegiate coach and athlete gives me the necessary tools to meet the goals and objectives of the position. I am currently the head women's coach at the University of Nevada in Reno with 16 years of coaching experience. Last fall, I was nominated and now serve as the MWC representative on the Division I Executive Committee. In 2010, I served on the Junior Olympic Cross Country Championships (Reno) Committee with direct responsibility for coordinating opening ceremonies. I competed on three US national teams: US v. Great Britain in 1994, World Cup in 1994, and Pan Am Games in 1995. I have coached athletes at both the junior and collegiate levels. It is my goal to further the mission of USATF and the Pacific Association for the development of open/collegiate athletes and coaches.

Youth-High School Sub-Committee Chair: Jim Marheineke

jmarheineke@serrahs.com, 650.345-8207 x 527

I have been the Head Track and Field Coach at Junipero Serra High School in San Mateo since the 2000-2001 school year. In 2003, we were CCS Champions and in 2009 we finished 4th. While I have been at Serra, we have had athletes qualify for the State Championships in all but 1 year and we have at least one school record has been broken every year while I have been at Serra. Since 2003, I have been the West Catholic Athletic League representative for CCS. In my tenure at Serra, we have hosted the WCAL Championships 4 times and will continue to do so every other year in the future. I am currently a Pacific Level USATF official and I am a USATF Level 2 Coach in the throws, and IAAF Level 5/USATF Level 3 in the Jumps. I have hosted USATF Officials re-certification classes at Serra High School for the past several years.
