Instructors:

Bryan Fetzer: Fetzer serves as the sprints/hurdles coach at Mississippi State. Prior to his recent move to Mississippi, Fetzer served as Cal's Women's sprint/hurdle coach for three years in addition to the women's cross country and track & field coach at Ball State University where under his guidance five athletes qualified for the NCAA Regional Championships and one for the NCAA Outdoor Championships. Fetzer also spent four years as the Director of Track and Field and Cross Country at Gardner-Webb University where he started the program and led its transition from NCAA Division II to Division I status. During his tenure, he coached six NCAA National Champions and was named the USTCA Division II Women's Southeast Coach of the Year. Fetzer has served as an assistant coach in 2001 at the World University Games for Uganda as well as serving on staffs at the Commonwealth Games and NACAC Under-25 Championships.

Dave Shrock: Shrock began his coaching career over thirty years ago at the Col. of San Mateo before coaching cross country and assisting with track at San José State. Shrock ultimately moved to Modesto Junior College where he was named Central Valley Conference Coach of the Year ten times while producing sixty-four All-Americans. Shrock worked at the 1996 Olympics as part of the IAAF Adjudication Committee, and serves as the Pacific Association Coaches Chair. Shrock serves on the USATF High Performance Committee working with Men's hurdlers and the National USATF Coaches Education Committee teaching the national Instructor Training Course. Shrock is Level 2 certified in endurance, jumps, and sprints, while completing his Level 3 certification in training theory. Shrock has stepped back from collegiate coaching to pursue his doctorate in sports management while serving as Assistant Meet Director for the Modesto Relays.

Jennifer Tuff: Tuff has coached High School Track in Long Beach for the past six years. She has worked with all event groups over that time, but specializes in coaching the distance and middle distance events at Cabrillo High School serving as the Head Coach of the Cross Country program. Coach Tuff has earned her USATF Level 2 certificate in the Throws and Endurance.

Ken Grace: Grace serves as the assistant track coach at Chabot College and cross country coach at Dublin High School in the Bay Area. As a physical education and health instructor, he received his B.S. in Kinesiology from Cal State Hayward and M.A. in Physical Education from Stanford. Coach Grace has twice been named Coach of the Year at the Community College Level (1992 Cross Country and 1995 Track and Field), served as a coach for the Men's West team at the 1994 Olympic Festival, and has been the site supervisor for the warm-up track at the 1996 Olympic Games in Atlanta, as well as for the past three Olympic Trials. Coach Grace has earned his USATF Level 2 certificate in the Jumps and Endurance.

Level 1 Information:

One of the objectives is to put all coaches on common platform (i.e., speaking the same language). The Level 1 program covers all events in a foundational manner by emphasizing fundamentals, rules, safety/risk management, and instruction techniques. Level 1 prepares individuals to coach junior high school, high school, club, and age group athletes.

- Level 1 School is a two day course (21-24 hours), including both classroom instruction and hands-on training. Attendance at all sessions is required.
- After the school, participants must complete an online exam that covers event-related and sport science subjects.
- Upon attending the School and passing the exam, participants will be issued a Level 1 Certificate of Completion.

Benefits

- Recognition as a USATF Level 1 Coach
- Curriculum book covering sport science and individual events
- Skills and knowledge to coach athletes at the junior age division level
- Access to exclusive Level 1 merchandise
- Eligibility to attend a Level 2 School
- Continuing Education Units available from the US Sports Academy upon successful completion for an additional fee

Requirements

- Be at least 18 years of age
- Attend a Level 1 coaching education school
- Pass an online exam
